PAKISTAN NEWS HIGHLIGHTS:

- The European Union has warned Pakistan about potential disruptions in rice imports due to quality concerns, prompting Federal Minister for National Food Security, Rana Tanveer Hussain, to meet with the Rice Exporters Association of Pakistan (REAP) in Karachi. The minister emphasized proactive measures to meet EU quality standards and reassured exporters of government support. Exporters highlighted challenges, including undue pressure from government institutions and infrastructure gaps, and urged granting industry status to the rice export sector. The minister also encouraged adopting modern technologies to enhance global competitiveness. [Read More](#) (11th Jan).
- Pakistan's rice exports are facing setbacks due to quality issues, including a rejected shipment to Italy in October 2024 and EU concerns over pesticide residues. Inadequate testing and regulatory lapses have worsened the situation, while local markets face allegations of arsenic contamination and plastic rice. Lawmakers urged the creation of a national food safety policy, improved lab testing, and farmer education to meet global standards and avoid future export rejections. [Read More](#) (9th Jan).
- The Trading Corporation of Pakistan (TCP) received 11 bids for exporting 50,000 metric tons of long-grain white rice (IRRI-6) to Bangladesh, following an international tender issued on December 31, 2024. The lowest CIF bid was \$498.40 per metric ton by M/s Kap Impex, while other bids ranged up to \$523.50 per metric ton. No bids were received for 50,000 metric tons of non-basmati parboiled rice. TCP is currently evaluating the bids and will finalize the decision soon. [Read More](#) (7th Jan).
- The Malaysian government is exploring rice imports from Pakistan to address supply and pricing issues, with 28 exporters offering 100,000 tones. Prime Minister Anwar Ibrahim supports the proposal but seeks further evaluation on pricing. Additionally, measures like a single price grade for rice are being considered to prevent price manipulation. [Read More](#) (1st Jan).
